

WARD VALLEY 'OLIVIA' PINOT NOIR ROSÉ 2019

Marlborough, New Zealand

www.wardvalleyestate.com

In September 2009 James & Freddy planted the first 5 h.a. of Pinot Noir on their Ward Valley Estate Vineyard. This wine is dedicated to the trials and tribulations of developing and planting the vineyard from bare unproven land. Taking its name from the Owner's two very special Olivia's, Freddy's wife Olivia Davison and James's first born daughter Olivia.

Ward Valley is situated at the southern frontier of Marlborough, making it a special place within a special place. The vineyards combination of high altitude, dry air, temperature extremes and deep clay creates a marginal climate and terroir that produces wines of rare complexity. The founders of Ward Valley, James Leary and Freddy Davison have worked tirelessly, to create a range of wines that truly embody the earth that it is made from and the hands that it is made by.

VINTAGE NOTES

Pinot Noir fruit from our Coastal Block was harvested on the 4th April 2019 in excellent condition. Fruit was taken to the winery and cold soaked on skins for 4 hours before being pressed and transferred to stainless steel tanks for fermentation. This 'time on the skin's' gives the wine its trademark pale salmon pink colour.

TASTING NOTES

It's fabulously fragrant on the nose showing sweet raspberry, watermelon, peach and floral characters. The palate is equally satisfying with excellent fruit intensity backed by fine texture and bright acidity, making it immediately appealing.

FOODMATCH

The Olivia Rose is perfect for enjoying on its own on hot summer days or pairs beautifully with light fresh meals.
